Student Blessing

I invite our graduating seniors to stand. Let us pray.

Heavenly Father,
We thank You for these young men and women and for the many ways You have blessed them throughout their lives.

As they prepare to leave for college, begin careers, enter military service, or follow other paths You have placed before them, guide their steps, and keep them close to You.

Grant them wisdom in their decisions, courage in challenges, and joy in new opportunities.

Surround them with faithful friends and mentors who will encourage them to grow in faith and virtue. Help them find a Catholic community where they can continue to worship, serve, and deepen their relationship with You.

May they always know that they are loved by You and supported by this parish family.

Through the intercession of the Blessed Virgin Mary, may they be protected and strengthened in all they do.

We ask this through Christ our Lord.
Amen.
